All sounds good. Good luck with your legislative subcommittee hearing.

Ok – I hope to see you at 11. I'll be attending a (virtual) legislative subcommittee hearing on water policy so if it runs long I can't imagine that would be a good thing. I have no idea what to expect – never done one of these!

Happy Friday!
Miranda

Hi Miranda,

Let's keep 11 AM. No problem if you are late, appreciate the heads up. I will be on the line and wait for your arrive.

My 11 AM to 1 PM is open. I have meetings at 1 PM and 2 PM tomorrow.

We can use the time tomorrow to catch up on any new developments since we last talked and I can go over the Batches if that would be helpful.

Have a good afternoon,

Paul

Received, Paul. How's your availability tomorrow? I ask because I've only had time to skim at Batch 1 and glance at Batch 2. I could use a little more time – not much though – how about 1 pm tomorrow? If that won't work, let's keep the 11 and we can get through a bunch of stuff I bet. Also, I have a meeting right up to 11 and there's a chance it could run late. So I'm giving you a little warning just in case. Of course I'll let you know.

Hi Miranda,

I am attaching Batch #2 of EPA comments on the MN 2022 Impaired Waters List (IWL) and the 2022 ATTAINS Organization Public Comment Snapshot.

We can go over these comments during tomorrow's (Friday 12/17) call. Most of these involve tracking and verifying things in the ATTAINS upload.

Hope the rest of your MN 2022 public meetings went well and have a good afternoon!

Paul
